

# Rainbow Day Camp

For LGBTQ+ children and youth ages 12+ to have a fun and affirming place to connect with others and explore their identity.

Campers will experience a mixture of traditional camp activities (such as equine, climbing tower, nature and more) in addition to activities focused more on exploring and celebrating each camper's unique identity.

Please contact [connect@harmonyfamilycenter.org](mailto:connect@harmonyfamilycenter.org) for more information, camper applications, and RSVPs
