

# I Belong @ The Barn

Teens and preteens with an Autism or related cognitive diagnosis are welcome to meet other friends with similar abilities and a love for horses! Children will benefit from the holistic wellness of being in the mountains, while participating in learning activities created to help them have fun! Activities to include: grooming, leading horses through obstacle courses, team building, and connecting with friends in a supportive environment led by an occupational therapist and staff.

**FRIDAY,  
MARCH 20TH 9AM-3PM**
